

**ERC LAW CENTER**  
FEDERAL STIMULUS *for* BUSINESS RECOVERY

*Even* IF YOUR BUSINESS DID NOT HAVE A REVENUE REDUCTION OR WAS DEEMED ESSENTIAL

---

## YOU CAN STILL QUALIFY FOR ERC

Did your business encounter any of the following:

- Change in business hours
- Partial or full suspension of your operations
- Shutdowns of your supply chain or vendors
- Reduction in services offered
- Reduction in workforce of employee workloads
- A disruption in your business (division or department closures)
- Inability to visit a client's job site
- Suppliers were unable to make deliveries of critical goods or materials
- Additional spacing requirements for employees and customers due to social distancing
- Change in job roles/functions
- Tasks or work that couldn't be done from home or while transitioning to remote work conditions
- Lack of travel
- Lack of group meetings

Was your business unable to continue its activities in a comparable manner and did that result in a more than nominal impact on your business operations?

If you answered yes, we can help you maximize your refund.
